

Be My Guest 2 for 1 offer

Skin Softening, Detoxifying Body Wrap

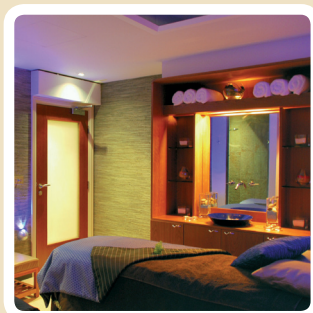

Dear Paula Hindley

Your friend has recommended you for Spa Sirene's fantastic offer, designed to banish those winter blues. Book yourself in for our 'Skin Softening, Detoxifying Body Wrap' and receive another one for your partner or friend absolutely free!

An exfoliating cream containing ocean granules is spread over the body and massaged off, whisking dull skin away! A seaweed body masque is then applied, which is rich in iodine, a trace mineral vital for the metabolism.

You are subsequently cocooned in a heated blanket while your body absorbs the iodine to aid slimming and to detoxify the body. Next, drift off as your therapist performs a relaxing and reviving eye massage. To complete the treatment you are drenched in contouring cream to further combat excess weight and cellulite.

Furthermore, if all this is not enough to transport yourself away from the stress of work and the gloom of winter weather, with this luxurious treatment comes free use of our luxury spa facilities on the day of your appointment. With the 'Skin Softening, Detoxifying Body wrap' costing £100 and lasting 1 hour 15 minutes, this is an amazing offer which is guaranteed to leave you feeling sparkling and revitalized with one of you going absolutely free!
